LIVE and LET LIVE FOLKS

CONN BROTHERS.

Lancaster, Ky.

SHOOTING AT POINT LEAVEL

On last Saturday James Conn shot and seriously wounded William Palmer. The ball, a 38 Smith & Wesson, entered the upper lip and lodged near the back of the ear, inflicting a dangerous though not necessarily fatal wound. Both are respectable, hard working colored men, and their differences, we understand, originated over domestic affairs of a trivial nature. Conn came to town at once and surrendered to the authority and gave bond for his appearance here on tomorrow, (Friday) for his examining trial.

OH BUT THEY ARE BUSY.

There are perhaps never more farm work accomplished in the county in the same amount of time as there was in this county last week. The conditions were favorable for all kinds of farm work. The unfinished setting of tobacco was completed, the earlier setting was reset and worked out, the clover meadows were cut, corn was plowed, wheat was cut, as was also rye, barley was threshed and corn plowed.

This week the greater part of the wheat cutting will be completed, though in some cases a few late crops will be left standing until next week. The forward wheat will be threshed this week, and local dealers have bought some at 80 cents per bushel, but a fear is expressed that the price will not hold up to this figure. Corn never looked better or gave fairer promise at this season, while timothy meadows are about ready for the mower and give promise of a fairly good yield. Scarcely will the latter crop be off their hands when the farmer will be compelled to cut his oats, and in fact, there will be "something doing" in the country from now until frost.

POWELL.

Mrs. Kate Powell, one of the best known and most beloved women in this part of Lincoln county, died at the home of her husband, E. S. Powell, near Hustonsville early Sunday morning. The remains of this good woman were laid in their last resting place, to await the Judgement Morn on Monday, after services conducted by her pastor, Rev. A. H. Baugh, of the Christian church. Mrs. Powell had been in ill health for some time and realized that the end was near, but with Christian fortitude and a sublime faith in her Redeemer calmly awaited the summons to come up higher. In addition to her grief stricken husband, she is survived by the following children, E. B. Powell, Smith Powell, Mrs. C. W. Adams, and Miss Jessie Powell, of Hustonsville and M. H. Murphy, of Turnersville. — Interior Journal.

Mrs. Powell was a half sister of Messrs. U. D. and John W. Simpson, the former of Lancaster, the latter of Marksburg this county, and of Mrs. J. C. Thompson, formerly of Lancaster, now of San Diego Cal. Mrs. Powell was well known in Garrard county where she had innumerable friends who will be deeply grieved to learn of her death.

"GOAT" TAKES THE BARRIER

While being initiated into the "Owls" lodge in Lexington, the goat upon which a candidate was endeavoring to ride bolted through an open window of the lodge room, which was in the third story of a building. Luckily goat and rider landed upon a fire escape, and were only rescued after much trouble upon the part of several of the stalwart Owls.

For the information of any person who contemplate joining secret orders in Lancaster, and in order that they not be deterred from their determination, we wish to state that the goat is perfectly gentle, is always led to halter, and as a matter of further protection, the windows of all the lodge rooms in town are securely screened with a heavy iron netting.

"DOLPH" RICE ON BOARD

Of Automobile Chauffeur Examiners.

W. R. Rice, known to his Garrard county friends as "Dolph" Rice, and a former Garrard county boy, is a member of the State Board of Examiners for Chauffeurs. The first examination will be held in Bowling Green, Ky., on July 5th. Attorney General Garnett has decided that when in the line of his employment a person is required to operate an automobile for all or a part of his time, that employment constitutes him a "Chauffeur" and he must stand an examination and procure a license. Other examinations under the new law will be held as follows: Paducah, first Monday in September, Louisville, first Monday in December, Lexington first Monday in February, Maysville first Monday in April and Covington the first Monday in May. Chauffeurs may obtain temporary license from the Commissioner of Motor Vehicles at Frankfort until they can take the examination. Special examinations will doubtless be announced for every month. Under the new law, owners of motor-cycles must procure licenses which costs \$5.

CAPT. DOTY'S WILL PROBATED.

The will of the late Capt J. A. Doty was admitted to probate in the county court on last Monday. His son, J. A. Doty Jr. and Mr. S. C. Denny were named as executors. His entire possessions were devised to his children.

TO INSPECT LIBERTY CHAPTER.

Taking with him about a dozen Royal Arch Masons, P. G. High Priest W. O. Rigney, as the appointed Inspector of the Kentucky Grand Chapter, will go to Liberty on next Saturday to inspect the Chapter at that place. The four degrees relating to R. A. masonry will be conferred by Mr. Rigney and his assistants.

WOULD GIVE LANCASTER A WARM GAME.

The Point Leavelle baseball team went out to Berea on last Saturday and won a game over the crack Berea team by a score of 8 to 4. Ector Lawson and Carl Acton played with the Point Leavelle team. Lancaster seems to disdain to play so insignificant a team as the Point Leavelle aggregation, but if we can get them lined up together our roll goes on the country team. Seriously, it would make a good game, Lancaster fans are baseball hungry and a game between the home team and Point Leavelle would draw a big crowd.

"COLD CHECKS" WILL GET YOU IN TROUBLE.

The Cold Check law which was passed by the last Legislature, became effective last Thursday and is now in full force.

This is one of the most important measures passed during the last session and was enacted for the protection of the merchants, business men and others who have been defrauded by persons giving checks on banks without having any money on deposit. When a person gives a check now on any banking house he must have on deposit at that time sufficient money to cover the amount called for to meet that check, otherwise he is subject to prosecution.

SEVENTEEN YEAR LOCUST NOW DUE.

According to a late bulletin sent out by the State Agricultural Experiment Station, at Lexington, the seventeen year locust, last seen in 1897, are due to appear this year and a warning has been sent to the farmers and fruit growers of the state. The seventeen year locust is harmful, because in the warm state it lives by sucking the sap from the roots of trees and shrubbery and when eggs are laid, trees and plants on which they are deposited die. The locust is the longest lived insect known to scientists.

Seventeen years ago the eggs from which this year's crop of locusts will be hatched, were laid on trees and shrubbery. The eggs after three weeks develop into worms, which drop from the trees and burrow into the ground, where they have lived since 1897, preying on the roots of trees. During June the worms are expected to reappear and develop into the locust.

HOGAN BALLARD TO RETIRE FROM BIG BRYANTSVILLE FIRM.

In this issue of the Record will be found the dissolution sale bill of the Becker-Ballard Co., of Bryantsville, which is a bona fide as Mr. Ballard tells us he will positively sever his connection with this well known firm to engage in other pursuit.

Hogan Ballard is one of the most progressive business men and cleverest gentlemen in the county, and we sincerely hope that his future business engagements will not take him away from the county, the county of his birth. He tells us that he has several propositions under consideration and is not decided as yet as to which one he will accept.

Capt. Herron Able To Be Out.

Capt. Luther E. Herron, who was shot recently by Robert Stranger a negro, is sufficiently recovered as to be able to about the streets, and expects shortly to be able to resume his duties as Chief of Police.

HON. J. ROE YOUNG. WELL KNOWN IN LANCASTER

Candidate For Congress In Ninth District.

Hon. J. Roe Young's name appears among those who filed their petitions with the Secretary of State asking that their names be placed upon the ballot in the coming August primary as a candidate for the democratic nomination for congress from the ninth district. He aspires to step into the shoes of Hon. W. J. Fields the present incumbent.

Mr. Young is well known in Lancaster having married Miss Nannie Anderson, a daughter of Mr. W. G. Anderson of this place. Mr. Young is well and favorably known throughout Kentucky. He is a sterling democrat, and is going to give somebody up in the ninth a run for their money.

NEW MUSIC TEACHER

CALCULATED TO PROVE VALUABLE Addition To The Local School Faculty.

Miss Webb, who has been selected to have charge of the musical department in the local school during the coming 1914-15 term, comes highly recommended and is calculated from every viewpoint to become a splendid addition to the faculty.

Miss Webb is a Tennessean, having completed her musical training in the Conservatory of Music at Nashville. She began post graduate work, but abandoned this to accept a position as Director of Music at the Lebanon College for Young Ladies, where she achieved splendid results. Later the Carthage Training School secured her services, and there for four years she taught with eminent success.

C. J. Schubert, Director of the Nashville Conservatory of Music, said of her: "Miss Lena Webb has been a personal pupil of mine for the last two years, during which time I have had the opportunity to become fully acquainted with her work. I can recommend her as a diligent and conscientious student of the highest standard."

She was a personal pupil of Prof. Emil Winkler, Director of the Ward-Bennett School of Music, Nashville, Tenn., and studied for the summer in Boston. She has invariably been urged to return to each and every position which she occupied.

Miss Webb makes a specialty of Harmony and History of Music, as well as piano.

She is a young woman of gracious personality, charming manner and winning address; her influence is wholesome and inspiring over her students, and with whom she comes in contact.

"THEY'RE OFF"

LAST SATURDAY LAST DAY FOR FILING PETITIONS AND All Roads Are Filled.

Last Saturday midnight was the closing hour for the filing of petitions for places upon the ballot at the coming August primary and the following candidates filed their petitions with the Secretary of State:

Senator (long term) Governor James B. McCreary, Ex-Governor J. C. W. Beckham, Frankfort and Hon. A. O. Stanley of Henderson, complete the list of democrats, while the republicans have to choose between Ex-Governor Augustus E. Wilson of Louisville, R. P. Earnst of Covington and Lott McLaughlin of Hendersonville, and the Progressives will cast their ballots for either George W. Jolly of Owensboro or Barton Vance of Louisville.

For Senator (short term) Democratic Hon. Johnson N. Camden of Versailles who now holds the position by virtue of Gov. McCreary's appointment, ex-Congressman David H. Smith of Hodgenville and Gen. Bennett H. Young of Louisville, Commander of the United Confederate Veterans.

Those to file their petitions for the congressional nomination from this eighth congressional district are: Democratic, Hon. Harvey Helm of Stanford, Republican, James P. Spillman of Harrodsburg and the Progressives are J. P. Holzelaw of Lancaster and Warner W. Jesse of Shelbyville.

The majority of these candidates with the possible exception of Mr. Camden, will enter at once upon the prosecution of an active and aggressive campaign, and from now until the 4th day of next August may be expected to make the welkin ring in their efforts to convince the dear people that each and every one of them are the most plausible and best equipped man for position to which they aspire.

Mr. Camden has announced that he will give his attention to his duties to the work in hand in Washington, but that as soon as he is able to get away from Washington will enter into the heat of the campaign.

Blackberries next week.

Barley threshing is in progress.

Forward gardeners report ripe home grown tomatoes.

Don't miss a single number of the Chautauqua course.

The apple crop in the county is reported as being unusually short.

Show your approval of a permanent Chautauqua in Lancaster by your attendance.

The smiling faces of the farmers these days denote the anticipation of splendid crops.

Merchants report an unprecedented sale of binder twine this year, which indicates a bumper wheat crop for the county.

Lancaster people responded nobly to the clean up call for this week, and the town presents a most cleanly appearance to the visitors.

"Back" Hibbard and Lee Prewitt compose the local police force during Chief Herron's convalescence, and are performing their duties in a most acceptable manner.

Both those who wore the blue and the gray flocked to the opera house recently to see the film production of the "Battle of Gettysburg", and their remarks during the performance indicated that it was very realistic.

Boy Scouts To Go Into Camp.

Lancaster's contingent of the Boy Scouts, 18 in number, will leave next Monday morning for "Camp Daniel Boone", the official Boy Scout camp on Kentucky river, for their annual summer outing. The Lancaster patrol will be in full uniform and is composed of as nice a lot of boys as could be found anywhere in the state.

Wounded Boy Improving.

William Goins the fourteen year old son of Mr. and Mrs. Mark Goins of Marksburg who was wounded by the accidental discharge of a revolver which he was handling recently, is getting along nicely, is able to sit up in bed for short intervals, and it is thought his recovery will be rapid.

Deplorable Accident.

Mr. John Magee, the clever and deservedly popular Fourth street merchant, suffered a very painful accident yesterday. He was moving a box of bacon from the side-walk into his store using a truck, and in some unaccountable way, the box of meat slipped, the top of the truck striking and breaking Mr. Magee's nose. The injury was extremely painful, and is deeply deplored by the legion of friends of the Christian gentleman. Mr. Magee was hurried to a local surgeon, who dressed the wound, and made him as comfortable as it was possible. — Messenger.

A NEW INDUSTRY.

A young farmer of the county on last Saturday marketed with a local commission merchant \$31.50 worth of yellow root, or golden seal, it being the result of a weeks labor, "between times." This commodity is abundant in certain parts of this county, and is of a superior quality, commanding top price in the market, \$2.50 per pound. Ginseng, seneca, snake root and may-apple or podophyllin are also to be found in the hills of the county, and this industry would yield a splendid livelihood to those who are sufficiently well acquainted with the various herbs and roots to gather them.

Attend the shows at the Opera House, Good one each night. Program for Saturday night consists of 4 good films and an excellent comedy. Admission 5 & 10c.

Beginning Wednesday, July 1st At 9 a. m.

After 30 years of a successful and honorable business career in Lancaster, Ky., I have concluded to retire from active business in Lancaster and devote all my time to my 280 acre farm which I recently purchased and which must be paid for by Aug. 1st. Rather than sell my stock in bulk, which could easily be done I have concluded to give the people of Lancaster, Ky., and surrounding counties the first opportunity to buy the stock at retail, beginning Wednesday, July 1st., at 9 a. m. sharp.

It will not be necessary for me to go into details relative to the High-Grade Merchandise that I have carried for the past many years, for every Man, Woman and Child in this vicinity is aware of the fact that anything that was bought from R. H. Batson was the best that money could buy. It will be the event of the twentieth century a tremendous slaughter of modern merchandise, consisting of Dry Goods, Clothing, Shoes, Ready-To-Wear Garments, Furnishings and Hats for Men, Women and Children, for the entire stock of R. H. Batson will go in this mighty sale. Nothing will be reserved and every price quoted herein is absolutely correct. I find myself at this time with an enormous stock of highest class merchandise which I will distribute into the homes for less than the actual cost of the raw material, leaving the labor entirely out of the question. The World's Greatest Dry Goods and Clothing Sale will begin on Wednesday, July 1st at 9 a. m. sharp for 16 days only when the entire stock of R. H. Batson will be sold for less than half the cost of raw material.

TEXAS LAND

Some of the finest Farming Land in West Texas is now being placed on the market by

W. M. SANDIFER,

of Knox-City, Knox County, Texas.

I have just cut up and Sub-Divided into

small tracts, one of the finest Ranches in Texas, which I will offer at low prices and on easy terms.

99 per cent of this land is fine Agricultural land. About 1000 acres of it now being in cultivation on which is growing Wheat, Oats, Corn, Maize, Sorghm and other feed crops. This land is all well located, being close to Schools and Churches, begins in about two miles of Knox-City, and runs North West; the futhrest out being about five miles from town. Part of the Raw Land has Mesquite Timber on it, enough for wood and posts. Plenty of fine water to be had at a depth of from 45 to 60 feet. Some of this land will grow Alfalfa, it being Valley land, but never overflows.

Mr Henry Hutchinson, recently of Garrard County, has been all over this land, was present and saw each tract surveyed out. Ask him about it, he is now in Garrard County representing me and will take pleasure in telling you about this beautiful country. Our other agent Mr. B. Seal is familiar with the country and will tell you facts about it. **ASK THEM.** **TERMS---**One-third Cash, balance 10 years at 8 per cent.

Miss Annie Hutchison has been quite sick but is better at this time.—Mr. Boyle Vass Singleton is getting along very well.—Mrs. Robert Gaines has improved very much in the last few days.

One of the most enjoyable events of the season was the Sunday School picnic held here Thursday. Rev. Rogers of the Baptist church proposed a union picnic in which both churches should participate. Promptly at nine o'clock the wagons, surreys and autos were ready to haul passengers, and such a merry crowd scarcely ever was seen before. Baskets of splendid lunch were taken. The crowd gathered in the grove near the Brown Spring and all prepared for a jolly time. A foot race was run by Rev. Rogers and Walker Napier the latter winning the race, then Rev. Rogers and Raymond Bell ran, Raymond being the winner, then came Myrtle Murry and Mr. John Robinson, Myrtle gaining the race by several feet. Other races were run by Misses Clara Collier and Myrtle Murry and Mrs. George Stephenson and Mrs. Ann James. A laughable negro sermon was preached by Rev. Rogers which was loudly applauded and recitations by Mrs. Daisy Hunt and Clara Collier were enjoyed by all. There were baseball games, jumping, singing and then such a repast as was spread didn't look a bit like hard times in this part of the country.

Mr. and Mrs. Felix Estridge of Berea were the guests on Sunday of Mr. and Mrs. Eli Estridge.

Mrs. Elisha Bowling, of McWhorter, Ky., is the guest of her daughter, Mrs. E. C. McWhorter.

Mrs. Hays Metcalf and children, of Cicero, Ind., are the guests of Mr. and Mrs. J. M. Metcalf.

Mr. Woods Walker leaves Friday for a visit to his friend Mr. J. R. Smith Jr of Fayetteville Tenn.

Miss Geneva Rucker returned Monday from a visit to her friend Mrs. C. B. Miller near Richmond.

Miss Stella McWhorter of Berea, has been the guest of her sister, Mrs. Abney and other relatives.

There were services at Walnutta Sunday morning and evening conducted by Rev. Godbey, of College Hill.

Mrs. Fannie Walker, of Lancaster, was the week end guest of Mrs. Tom Slavin and Mrs. Burdett Ramsey.

Miss Chastine Rucker is spending the week in Lancaster as the guest of Miss Mattie Adams during Chautauqua.

Miss Emma Odor, is in Lancaster this week for Chautauqua and is the guest of Mrs. Fannie Walker.

Miss Beulah Cotton returned home with Miss Lena Schooler, of Hyattsville, to be her guest for several days.

Mr. and Mrs. O. C. Rucker visited, Mrs. Ruckers' parents, Mr. and Mrs. Andrew Cochran at Whites Station on Sunday.

There will be no preaching services at Old Paint Lick church on Sunday as Mr. Eldridge will be at Mount Victory in the Mountains of Ky. for a series of services.

Misses Pearl Hill, Blanch Wilson, Rebecca Scrivener and Nora Wyatt, of Berea who have been the attractive guests of Mr. Carlos Hedrick for a week returned home Sunday.

Mr. Chester Metcalf and Mr. Carlos Hedrick were hosts Friday evening for a most enjoyable hay-ride to the "Caves" in Madison county, in honor of Mr. Carlos Hedricks guests.

Mr. Hume Rucker and little son, Howard Embury of Louisville came last week to be the guests of Mr. and Mrs. I. C. Rucker. Mr. Rucker only remained a short time but Master Howard will spend the summer with his grand-parents.

On Tuesday evening of last week, Mr. Carlos Hedrick gave a most enjoyable party for his house guests, Misses Wyatt, Hill, Scrivener and Wilson of Berea. About 40 young people were present. Late in the evening delicious refreshments were served, and the guests departed with reluctance, loud in their praise of their host and charming bevy of guests.

Another social event of much pleasure was the lawn fete given on Tuesday evening by Misses Beulah and Goldie Cotton and Mr. Jerome Cotton in honor of their guest, Miss Lena Schooler and Mr. Carlos Hedrick's house party. The young hosts lovely lawn made an ideal place for entertaining and dainty refreshments were served to a goodly number of happy guests.

PREACHERSVILLE.

Mr. Owen Duvall has been quit sick, but is better now.

Miss Cora Bryant, of Judson, visited Miss Mary Pettus.

Mr. J. J. Thompson, who has been sick, is some better.

Miss Rachel Foley, of Williamsburg, is visiting her father, Mr. E. Foley.

There is a great scarcity of farm labor in the country, farmers complain that it is impossible to secure sufficient help to properly cultivate their crops, and are of a necessity compelled to curtail the amount of land cultivated. Yet in the face of this fact, you can come to town almost any day and find from a dozen to twenty five idle hands, men and half grown boys loafing around; any hot day a half dozen half grown colored boys may be found around the park, loitering in the shade and the services of one of them could not be procured for love nor money. This matter should be remedied, with the amount of work to be done and the great demand for laborers with fair wages offered, there is absolutely no excuse for anyone being idle.

There are stringent laws upon the statute books against "vagrancy" and it appears to us that these laws are being flagrantly violated in Lancaster every day. Not only this, but the violators are living off their more industrious neighbors, probably off some cook who is toiling in a hot kitchen.

The usual excuse offered, if they design to offer an excuse for not working, is sickness. Of course no one is, or should be, expected to work when they are sick, nor do we demand or expect it, but the majority of us are compelled to work, and we believe that the idle minority, who are living by the sweat of the brow of the industrious, should be compelled to labor for their sustenance, that is if they are able, and in cases where the excuse of sickness is offered, the certificate of a physician should be demanded, and in the event it is not forthcoming, and they still refuse to go to work, why then "a bird that can sing and won't sing should be made to sing", let them have the benefit of the laws provided for just such cases, let them be placed at making little ones out of big ones a little while, and they will soon learn to avoid the paths of idleness.

THE CHAUTAUQUA NOW IN PROGRESS

IN LANCASTER
Greatest Attraction Ever Seen Here.

The Redpath Chautauqua now in progress in Lancaster, is by far the greatest thing in the way of an attraction ever seen in Lancaster. Interesting, attractive, elevating, bringing attractions that appeal to all classes, refined, entertaining it appeals to the taste of everyone who loves music and literature, and is an attraction that we positively cannot miss the opportunity to make an annual affair. It offers to the people of the community opportunities that they would go miles and spend twice the amount it will cost in order to get the benefit.

The leading numbers on the program are yet to come. Today, Thursday Dante's Band will be heard both afternoon and evening. Those who have heard this band say that it is equal to if not better than Kyril's, and the latter is conceded to be one of the very best in the country. Don't miss hearing Dante.

Friday afternoon Hon. Richard Pearson Hobson will be heard. Mr. Hobson has a world wide reputation as a lecturer and is second to none on the lecture platform; as a member of the National Congress he won for himself a name and fame that will endure to the end of time. These two numbers alone are well worth the price of admission to the entire weeks course of entertainments, and this amount has often been charged for admission to either one of these numbers.

It was through the efforts of the following progressive and public spirited gentlemen and business men that this great attraction was brought to Lancaster. In order to secure the weeks engagement they pledged themselves to sell 400 season tickets, and they stand a good chance to lose money for their progressiveness. This should not be, the people of Garrard county should come to their rescue and fill the tent to overflowing during the last two days of the course, thereby insuring not only that these gentlemen will not lose on their guarantee, a guarantee solely for your benefit, but also insuring the return of the Chautauqua another year.

Following is a list of the guarantors; J. S. Haselden, Haselden Bros., Hurt & Anderson, J. E. Robinson, J. E. Stormes, J. W. Smith, Central Record, J. R. Mount, Son & Co., J. T. Rainey,

G. M. Patterson, H. T. Logan, R. E. McRoberts, Dr. W. M. Elliott, Dr. J. B. Kinsaid, R. S. Brown, J. W. Elmore, R. Zimmer, T. J. Price, Joseph Mercantile Co., Dr. J. A. Amon, W. R. Bastin, Rev. F. M. Tindler, J. E. Dickerson, Prof. M. L. Caneer and John M. Farra.

These gentlemen made it possible for Lancaster to have a Chautauqua, and we will venture to say there is not one among the number who regrets his action, who is not prepared to say that he is fully repaid for the outlay. But these gentlemen should not be allowed to lose, when it takes but your attendance to prevent it. Other towns in Kentucky, smaller and less pretentious towns than Lancaster, have successful meetings annually, do not let it be said to Lancaster's shame that they had a Chautauqua one year, lost money and never had another.

Come in and help out this year and do all in your power to insure a return visit next year.

"CLARA BELLE" OWNED BY BILLY BURTON

And Driven By Mel Cohen Wins At Dayton.

The following taken from a Lexington paper shows that Mel Cohen is beginning his sensational "winnings" early in the season:

Mat. S. Cohen returned last night from Dayton, O., where he has been one of the principal exhibitors at the recent horse show, with ten firsts, two seconds and two thirds, and where he had won a bigger percentage of ribbons than any exhibitor, especially when the fact that he had but four horses with him is taken into consideration. Two of his first ribbons were championships, Mary Yandel Fox and Gossip dominating the three-gaited classes and being awarded the championships in their respective classes, while the three-gaited mare Clara Belle and the roadster mare Ethel Mae also were first prize winners.

"Clara Belle" is owned by this local horseman, Col. Billy Burton, and he claims she is destined to be a great bread winner. Mr. Burton while not entering his horses in his own name and being disinclined to mention the fact that he even owns "a good 'un" is nevertheless usually the owner of one of the best goes on the circuit. He tells us that he is expecting great things of Clara Belle.

REV. F. M. TINDER

BELOVED PASTOR OF

CHRISTIAN CHURCH,
ROUNDS OUT ELEVENTH YEAR
Of Ministry in Lancaster.

In deference to the fact that Elder F. M. Tindler rounded out his eleventh year as minister in charge of the local Christian church on last Sunday, the various ministers of the city announced from the pulpit that there would be no services in the various churches on Sunday evening, and asked that their congregations attend worship at the Christian church, in deference to the anniversary of Bro. Tindler.

On Sunday evening the old edifice on Stanford street where the beloved pastor had served so long and faithfully,

was crowded to its capacity, all bent on doing honor to the splendid gentleman in whose honor the gathering was called.

The various ministers paid eloquent tribute to their colleague, showing conclusively in what high esteem he was held, both by them and the members of the various congregations of the city other than his own. As for the devotion of his own fold, it is unbounded and words would be inadequate to express the esteem in which he is held and the appreciation of his services.

During the eleven years that Bro. Tindler has been in Lancaster he has endeared himself to the people of the town and county as few men, ministers or otherwise, could. High and low, rich and poor, regardless of their religious affiliations, honor and respect him, and his friends, out of the church as well as in it, are numbered by his acquaintanceship, and to a person they voice the sincere hope that he may remain in Lancaster for thrice as many years as he has already served.

R. H. BATSON LEAVING LANCASTER

WILL PROBABLY MAKE HIS HOME IN ANOTHER STATE

It is with profound regret that the Record announces that Lancaster and Garrard County is to lose one of their most respected citizens and successful business men. As announced in the advertising section of this issue, Mr. R. H. Batson has recently purchased a farm near Fairfield Ills, and after disposing of his stock of goods here in Lancaster will probably remove to Fairfield about Aug. 15, to make that town his permanent home.

Mr. Batson came to this county (to Bryantsville) in 1875 and has been prominently identified with the county's progress and development ever since. He ran a General Merchandise store there, later moving to Paint Lick and running a store at that point, the volume of his trade grew so rapidly that he found it necessary to move his business to Lancaster as a more central point from which to reach his constantly growing list of customers.

Mr. Batson possessed the inborn qualities of the successful merchant which in more populous communities where larger opportunities could have been had, he would have made A GREAT MERCHANT.

Not only has his genius as a constructive merchant been exhibited in the pronounced success of his own business, but it is a note worth fact that every young person who submitted himself to Mr. Batson's training became himself a successful merchant.

J. L. Watkins a member and at the head of the largest Hardware Distributing House in Central Ky had his training under Mr. Batson.

Mr. James Y. Carrey was so successfully trained by him that he became the head of the shoe Department of Abraham & Strauss of Brooklyn N. Y. at an enormous salary. Mr. James Smith, now one of the most successful merchants in Lancaster also obtained his training in Mr. Batson's Lancaster store, while Mrs. Sarah Marrs another former employ of his is now at the head of a Knoxville business, drawing one of the largest salaries ever paid a woman in the South.

In spite of the many requirements of his own business, Mr. Batson has always found time to devote a portion of his talent for the common welfare of this community. In fact in every public matter affecting the general welfare of this County, Mr. Batson has always been found on the firing line.

The loss of such a citizen is "a Community Loss".

Accordingly the Record makes this announcement with profound regret. But with a GOD SPEED to him who for 39 years has been our neighbor our friend and a public benefactor.

ARSENATE OF LEAD FOR TOBACCO WORMS.

Government Experiments Prove That It Is More Efficient Than Paris Green And Will Not Burn The Crop.

Tobacco growers in Kentucky, Tennessee and adjoining States are advised by Government specialists to use arsenate of lead in freeing their crop of hornworms-the greatest pest that the grower in the dark-tobacco districts has to face. Arsenate of lead is said to be both effective and safer than Paris green which has been used extensively against the pests for some years. With it there is no risk of burning the tobacco and this alone, in the opinion of the United States Department of Agriculture, makes its use advisable despite the somewhat increased expense. In addition it appears, unlike Paris green, to have no injurious effect upon the operator.

Until recent years it was customary to pick off the hornworms by "hand worming" as the work was called. As labor grew scarcer and less effective, however, this method became too expensive and growers were compelled to employ an insecticide. Of those first employed, Paris green proved the most satisfactory-or rather the least unsatisfactory-for it frequently causes a considerable loss. In 1912, for example, in several fields in Tennessee it was estimated that the damage done by Paris green ranged from 10 to 25 per cent of the gross value of the crop. Exceptional cases are on record where the damage has run as high as 50 per cent. Arsenate of lead causes none of this damage, according to statements in Farmers' Bulletin 595, "Arsenate of Lead as an Insecticide Against the Tobacco Hornworms in the Dark-Tobacco Districts," just published by the U. S. Department of Agriculture. On one occasion four acres of Kentucky tobacco were treated with an application of 5 1/2 pounds per acre of powdered arsenate of lead at a time when the worms averaged two a plant. Two days later only four live worms were found in the entire field. Weather conditions undoubtedly contributed to establish this extraordinary result, but they do not account for the fact that there was no injury to the tobacco from poison burn. The crop was well advanced and at a stage when Paris green burn is very common.

To secure the best results, arsenate of lead should be mixed with some form of carrier. A number of experiments indicate that the most satisfactory carrier is finely-sifted, freshly-burned wood ashes of which a quantity at least equal to that of the poison should be used. The two should be mixed very thoroughly and then applied when there is no breeze and the dew is still upon the tobacco.

A dust gun more powerful than the hand power ones now in general use is requisite if the application is to be even thorough and therefore effective. The cost of this treatment depends, of course, upon the condition of the crop. It is estimated, however, that in years when worms are plentiful hand worming costs from \$6 to \$10 an acre. Paris green will do the same amount of work for not more than \$2 an acre and arsenate of lead at a cost of from \$3 to \$5 an acre. From 3 1/2 to 5 pounds of the latter should be used at each application, not including, of course, the weight of the carrier. Since powdered arsenate of lead retails at approximately 25 cents a pound, the cost of each application will range from 88 cents to \$1.25, or less if the material is purchased in large quantities exclusive of the cost of the carrier, labor and other factors. This may seem expensive, but it must be remembered, the bulletin points out, that arsenate of lead is recommended not for its cheapness but because it is certain not to injure the tobacco. In some years one application may be sufficient; in others two or even three may be necessary. The number of eggs and young worms that appear on the plants will decide this.

Although the arsenate can be applied as a water spray in the proportion of three or four pounds to 100 of water, the powdered form is the one recommended by the Government experts. It is important, moreover, that there should be a large percentage of arsenic acid in the poison. In order to obtain this the customer should insist upon what is known as the diplobic and not the triplumbic form of arsenate of lead. For his guidance the bulletin lays down the following rule:

"In order to be sure of receiving the diplobic form, demand that the manufacturer and dealer guarantee that the arsenate of lead you buy contains at least 30 per cent of arsenic acid (As 205) in which not more than 1 per cent is free or water-soluble."

It is necessary to have a small percentage of free or water-soluble arsenic in order to ensure against burning the tobacco.

HELPFUL WORDS
From A Lancaster Citizen.
Is your back lame and painful? Does it ache especially after exertion? Is there a soreness in the kidney region? These symptoms suggest weak kidneys. If so there is danger in delay. Weak kidneys get fast weaker. Give your trouble prompt attention. Doan's Kidney Pills are for weak kidneys. Your neighbors use and recommend them. Read this Lancaster testimony. George Wright, Hotel Kengarian, Lancaster Ky., says: "I suffered a great deal from my kidneys and back. Pains through my loins extended to the sides and over my kidneys. I used Doan's Kidney Pills and my kidneys became normal and the pains stopped. I willingly confirm all that I said some years ago praising Doan's Kidney Pills. They do all that is claimed for them." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Wright had. Foster-Milburn Co., Props., Buffalo, N. Y.

Keep the boys and girls on the farm
THE big reason why young people flock from the country to the cities is because farm life is so hard and the hours of labor are so long. The **INDIANA SILO** cuts out the disagreeable work of carrying feed from one barn to another and enables one person to feed more animals in half an hour than two persons can feed in an hour without it. It makes the dairy business profitable all year round and fattens your steers at lowest cost. It makes the hens lay more eggs and it conditions the horses and mules. It is the best pork producer on the farm. The first Indiana Silo ever built has been in use for more than ten years and will be in good condition ten years from today. If you want to keep your boys and girls at home, order an Indiana Silo today. We will build one to your order and ship it the very day you want it. The payments will take care of themselves.

Ford
THE UNIVERSAL CAR
If you deal in values—you'll appreciate the Ford. It's simplicity—its economy—and its dependability give it a value that cannot be measured by its price. The Ford is the one car that has "made good" in world-wide service.
Five hundred dollars is the price of the Ford runabout; the touring car is five fifty; the town car seven fifty—f. o. b. Detroit, complete with equipment. Get catalog and particulars from—

BEGINS WEDNESDAY, JULY 1st

SOLVE THE SHOE PROBLEM

Besides giving wear that only the best leathers and workmanship can withstand, Security School Shoes are made over especially designed lasts. These not only make a handsome, stylish shoe, but allow plenty of room for the child's tender, growing feet. A shoe that pinches a little foot may permanently injure it, so care must be taken to insure a snug fit, but with plenty of toe room.

Any boy or girl is proud to own a pair of Security School Shoes, for they are just as good for dress occasions as for outdoors and playtime. They come in a wide diversity of styles and leathers and the prices are right.

Our Shoe department is also complete both in Ladies, Mens and Childrens Shoes and Oxfords. It is useless to mention the low prices which we will make you in our Dry Goods and Notion Department.

Odd Happening.

Minister (announcing from pulpit)—"I will add that a lady's watch has been found in one of the aisles, which the owner can have by applying at the vestry. We will now sing the one hundred and seventeenth hymn: "Lord, Her Watch Thy Church is Keeping."—Exchange.

True Fortitude.

It is easy in adversity to despise death; he has real fortitude who dares to live and be wretched.—Martial.

Two Kinds of Economy.

A woman can take a dime to the liver counter of the butcher's shop and strike a better bargain than a man could make, but a man can wear a two dollar hat till it turns green, while a woman can wear a \$25 one only till her friends know it by sight.—Louisville Courier-Journal.

The Distinction.

The discussion in one of the newspapers on whether one should use the word "woman" or "lady" and how one is to tell the difference has been enlivened by this story: Two charwomen were discussing somebody else. "Yuss," said one, "she's a lady she is. When she gets drunk she can take a cab 'ome."

Bread From Sawdust.

In Germany there is said to be a bakery that turns out 20,000 loaves of sawdust bread daily and finds a ready market for the output. Although this "wooden bread" is intended for consumption by horses only, it is claimed by the manufacturers that in case of famine it would furnish a nutritious and highly satisfactory food for human beings.

Catarrh Cannot Be Cured
with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly upon the blood and mucous surface. Hall's Catarrh Cure is not a quick medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonic known, combined with the best blood purifiers, acting directly upon the mucous surface. The perfect combination of the two ingredients is what produces such wonderful results in curing catarrh. Send for testimonials, free.
